

Percentage of Year 6 students achieving a Level 5 in English

Percentage of Year 6 students achieving Level 5 in Mathematics

Percentage of Year 6 students achieving Level 5 in Science

Each subject area is awarded with a level which indicates the students ability in the subject. Levels can range from 3-5 with Level 4 being the national average achievement for the United Kingdom. We are pleased to announce that 100% of students at the British School of Chicago achieved a Level 4 or above in each subject.
